MONTHLY AIR PERMIT APPLICATION WORKSHOP FOR FIRST-TIME APPLICANTS, CONSTITUTION HALL, LANSING, MICHIGAN. For most first-time applicants, completing the Permit to Install application is a daunting task. However, submitting a complete and timely application can be more manageable if you know what's expected. The Michigan Department of Environmental Quality is offering this workshop designed to give information on how to submit a complete permit application. Since this workshop is geared to first-time applicants, a significant portion of the session is devoted to your specific application. Air Quality Division permit engineers will be available to discuss your permit application with you one-on-one. To take full advantage of this time with the permit engineer, it is recommended you bring detailed information about your project with you to the session. This training is designed for first-time air permit applicants who need help completing their permit application; however, those who have applied before and need a refresher are welcome to attend as well. Online registration is available on the Web at www.michigan.gov/degworkshops, click on "Upcoming DEQ Workshops". Registration Fee: \$25, which includes parking in the Ellis Parking Lot on the east side of Constitution Hall and training manual. Information Contact: **James Ostrowski**, Environmental Science and Services Division, 517-241-8057, or Email at ostrowsj@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or Email at deg-ead-env-assist@michigan.gov.
